

A wide-angle, high-angle photograph of Lake Como, Italy. The lake is a deep blue, stretching from the foreground into the distance between two mountain ranges. The mountains are covered in green vegetation and have some rocky outcrops. On the left side, a town with red-roofed buildings is visible along the shoreline. The sky is a vibrant blue with scattered white clouds. The overall scene is bright and clear, suggesting a sunny day.

MILAN
COMO LAKE
